

# SENG 321

January 29 2024

## Reminders

- Upcoming deliverable: Feb 4- 11pm, please leave it as a .md file.
- *As part of working on the document, you are expected to merge any of your changes to the main branch of the Requirements Document (whether you are editing or adding to a new section). You will need to submit a pull request for your addition and at least two approvals are submitted before the change may be pushed to the main branch.*
- Team Assessment 2 due Monday at 11pm.

Read  
project-specification.md!
