Reminders for Sunday March 10th

What is due?

- prototype

- amendments based on the last round of feedback received

- data flow diagrams (L:0,1) *(for system level)*

- data flow diagrams (L:2) *(one for each use case)*

- sequence diagrams *(pick 2 storyboards. Make 1 sequence diagram for each)*

- swim lane diagrams *(1 for each use case)*

- dialog maps *(pick 2 storyboards (preferably not 2 that are identical to use cases). Make 1 dialog map for each)*

- storyboards *(for features / functional requirements. Not just use cases)*

- diagram(s) of your choosing for a bonus grade.
